

MYSTERIA
CAFÉ & GAMES

From Our Hearts

Dear Valued Patrons and Beloved Community,

Today, as we stand proudly in the heart of this thriving community, we are humbled to share the incredible journey that led to the creation of Mysteria Cafe & Games. It is with immense joy and gratitude that we recount the story of how our humble dream blossomed into a cherished reality.

Our journey began with a passion for food and a vision to create a space that would be more than just a restaurant or cafe. It all started at a discord call with friends where we wanted to do something much more than providing food and somewhere where providing experience as well as culinary experiments were celebrated. The joy of bringing people together through delightful meals and fun activities fueled our desire to share our love for food with the world.

Like any worthwhile endeavor, we encountered numerous challenges along the way. From financial constraints to finding the perfect location, each obstacle seemed like a daunting mountain to climb. However, our unwavering determination and the incredible support of our friends and family helped us overcome every hurdle.

It was a defining moment when we stumbled upon this beautiful space, which we knew deep in our hearts was meant to be the home of Mysteria. With every ounce of effort, we poured our hearts into transforming it into the warm and welcoming environment that you now enjoy.

But our journey doesn't end there. We knew that the heart and soul of any establishment are its people. Thus, assembling a team of talented and passionate individuals was a top priority. Together, we fostered a culture of inclusivity, creativity, and genuine care, where every team member felt valued and inspired to bring their best to the table.

As we opened our doors for the first time, we were filled with both excitement and nervousness. But the overwhelming response from each one of you, our esteemed guests, surpassed our wildest expectations. The joy we see on your faces as you savor our dishes and create beautiful memories with your loved ones is the driving force behind our continued dedication to excellence.

With lots of love and thanks,
Vivek, Yasharth & Upamanyu
